Committee on Political Action (COPA)

COPA helps us fight back against budget cuts to public services and threats to our contract rights with member activities, electoral campaign work and legislative advocacy, locally and statewide.

What is COPA?

COPA is our Local's political action fund (PAC). Through COPA, we can fight harder and smarter for the pro-workers laws and legislation, and elect pro-worker candidates who will support working families and retirees.

Why is COPA Necessary?

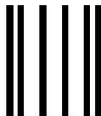

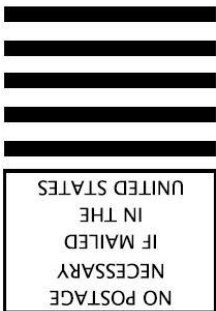

Elected officials vote on your salaries and benefits every day. A strong COPA enables our Local to allocate resources for political work that **ensures members receive good benefits** and our voices are heard in the halls of power.
